Field Crop Grower...

Five reasons for you to attend one of the
Southeast Pennsylvania Crops Conferences:

- You can obtain up to four category and two core pesticide update credits by attending a daytime conference
- Research-based information presented by local and regional experts
- Diverse array of timely topics on an agenda that allows you to choose which sessions you wish to attend
- Opportunity to interact with industry, extension, agricultural agencies and other growers in one location
- Three locations for your convenience

**BRING YOUR PESTICIDE LICENSE
TO THE MEETING**

Penn State College of Agricultural Sciences research, extension, and resident education programs are funded in part by Pennsylvania counties, the Commonwealth of Pennsylvania, and the U.S. Department of Agriculture.

Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing special accommodations or have questions about the physical access provided, please contact Mena Hautau at 610-378-1327 in advance of your participation or visit.

This publication is available in alternative media upon request.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, national origin, race, religious creed, sex, sexual orientation, or veteran status. Discrimination or harassment against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the nondiscrimination policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; Tel 814-865-4700/V, 814-863-1150/TTY.
